

Please do not replace my FM station with a LPFM station. This station provides me with the entertainment I desire without secular influence. I get unbiased news with fair coverage and this would be a great disservice to the community here in San Diego. I want the opportunity to listen to this radio station and would be profoundly upset if it were taken off the air waves. This is a publically supported radion station with no advertisement and therefore answers to only those who support it. Thank you. Sincerely, Carole Graham
